## Wisdom in the Dark

"...there were no witnesses to the resurrection, everyone who saw the risen Jesus saw him after. Whatever happened in The Cave happened in the dark...it happened in complete silence, in absolute darkness, with the smell of damp stone and dug earth in the air... new life starts in the dark. Whether it is a seed in the ground, a baby in the womb, or Jesus in the tomb, it starts in the dark"

(Barbara Brown Taylor from Learning to Walk in the Dark, 2014)

December and January are filled with longer nights and often cloudy days. Light is hard to come by and is savored when it appears. Many folks suffer with seasonal affective disorder or SAD at this time of year and their struggle is very real. .

The dark is hard, it effects our whole being physically, psychologically and spiritually.

The dark is also the place where new life can start. In her book, Learning to Walk in the Dark, author Barbara Brown Taylor acknowledges the difficult realities of the dark and she also explores the dark's gifts. Barbara writes: "I have learned things in the dark that I could never have learned in the light, things that have saved my life over and over again, so that there is really only on logical conclusion. I need the darkness as much as I need the light."

Lent is a season of reflection and thoughtfulness and it begins during a time of our longest nights. The dark is very present to us.

It is my prayer that during the season of Lent, you might find a moment to explore the gifts of the dark. I pray you might delight in the stars and the slowing of your pace as you cautiously move through the night. I pray you might give thanks for the rest, and the silence and for those who hold your hand in the dark.

And if the dark feels extra heavy this year. May you know you are not alone, to some degree, we are all bumping into things and stubbing our toes and fumbling for something new. Please reach out if you need a hand to hold; the way is easier together. And remember it is from the dark that new life is often born.

Peace, Debra

## BOARD NEWS

### THE CHURCH/PLACE VAN

*Note: this first part of this message is essentially a repeat of the one submitted to the November issue of the Church newsletter. Some folks have raised questions about the van, so the communication is being repeated here.*

As some will already know, work has been underway between the Church and the Place to have the van transferred from the Church to the Place. This decision, which was mutually agreed upon between the Church Board and the Board of McClure Place Association, was based on what has transpired to be the principal usage of the van. For some time, the primary user of the van has been McClure Place for activities in support of its residents. Of course, the Church does use the van for its members on Sunday mornings, and perhaps occasionally at other times, and that will continue. It seemed, however, that it made more sense for McClure Place to assume ownership and responsibility for operation and maintenance of the van given that the Place usage is perhaps three or more times that of the Church. An agreement describing the terms and conditions of the transfer and of the ongoing usage of the van has been duly signed so that there is, hopefully, no confusion between the two parties as to the nature of the future use of the van. Donations in support of the van can continue to be made to either McClure United Church or to McClure Place Foundation, with assurance that all donated funds will be used as intended.

Also, if anyone is interested in being a volunteer van driver or would like to consider this opportunity, please contact Lisa in the McClure Place office (Tel: 306-955-7677): Email: [executive.director@mcclureplace.ca](mailto:executive.director@mcclureplace.ca)). This volunteer opportunity could be for McClure Church Sunday morning pickups or for various activities of the residents of McClure Place. Typically, van trips are of relatively short duration and the assigned driver for a particular event would be selected from the small pool of qualified drivers. A Class 5 driver's license is required. Orientation and training are provided.

Respectfully submitted,  
Jim Kells, Chair of McClure Place Association Inc.  
Michael Gorniak/Heather Muirhead, Co-Chairs of McClure United Church

# OUTREACH

To the McClure United Church congregation,

We want to extend our heartfelt gratitude for your generous donation this winter. Your support enables us to continue our vital work with the youth that walk into our space. By providing art and cultural programs as well as support and counselling sessions, we are creating a positive impact on young lives, offering a safe space, fostering connections and providing essential support.

Chokecherry is a youth-led non-profit organization that has dedicated nearly 5 years to build trust within the youth community. Our pride lies in envisioning spaces where youth creativity experience, and Indigenous knowledge converge to shape the path for diverse programs we deliver every evening to the youth. Through these initiatives, we strive to create meaningful and sustainable change, ensuring our efforts are focused on the younger generations from diverse backgrounds (Indigenous, Métis, newcomers, 2SLGBTQAS+, non-indigenous), towards a brighter future for our communities.

Know that your contributions are helping now more than ever, as our youth numbers keep growing without much funding support. We also want to thank all of the effort made by the organizers involved in creating this connection as well as collecting and delivering the food, and art supplies.

With heartfelt appreciation, Chokecherry Studios Team

**McClure has been supporting refugees for 44 years!** What a wonderful legacy of care and compassion. This is even more meaningful with the arrival of the refugee family from Syria, on Jan. 24. Can you believe the journey they've had, and the journey they will now begin!!!

**(unfortunately, the arrival of this family has been delayed)**

We are beginning the fourth year for our **"Plant a Heart for Refugees" project**. We are accepting donations of any amount toward our Refugee projects.

These donations can to be mailed, dropped off, or e-transferred to the church office. Be sure to indicate that the donation is for refugees. For every \$20 collected, we will "plant a heart" in the snow out front of our church by the outdoor sign. It is a simple and yet beautiful reminder to the community, of our concern for people beyond our doors. Anyone driving by sees a wonderful indication of the importance of refugees to our faith community.

The project runs **February 1 -March 1**. Let's start those hearts sprouting soon.

## Are you the creative scrapbooking type?? We need you!!!

To celebrate and share information about our long-standing commitment to **Refugees**, Outreach is seeking an individual interested in creating some sort of **historical photo display** that will be set up in the church.

We have photocopied photos that are attached to Bristol boards at the moment and we are wondering if there is a better, more protected way to manage these photos. Perhaps with a little creative thought, we could preserve this legacy of refugee support. Are you the one (or a group??) who can help us do this?

Also, if anyone has photos to donate to this display, please bring them to the church or email them to Debra.

In particular **we are looking for photos from 2011 to the present**. However, all photos are welcome. Any other memorabilia is also welcome. **To volunteer your time, photos or memorabilia please contact Debra at the church or email to [Debra.b@shaw.ca](mailto:Debra.b@shaw.ca)**

### Robin Burlingham (she/her) (Mary Poppins)

Robin is so excited to be playing this iconic role, in a group with such kind and talented people! Robin got her start singing many years ago here at McClure, in the children's choir directed by Shirley Blackburn and in a dinner theatre production of *The Secret Garden*. She continued to perform with groups in and around Saskatoon and sang for many years with the Fireside Singers. Some favourite roles include Judy in *9 to 5* and Jo in *Little Women* (Saskatoon Summer Players), Anne in *Anne of Green Gables* (Station Arts Centre), and Belle in *Beauty and the Beast* (Fireside Singers).

Robin has two boys and works as a lawyer with the provincial government. She dedicates these performances to her mom, who loved kites.

## McClure Place Happenings

**"To enrich the lives of McClure Place Residents by providing support and service"**

Happy New year everyone! McClure Place Residents enjoyed many special Christmas events, some were mentioned in the December Happenings. Added to those, we enjoyed a very interesting presentation of Hanukkah from a member of the Jewish community. Closer to Christmas, our van drove residents to the Fireside Singers Concert. Another outing was the Enchanted Light Tour with bus transportation donated by our MLA Don Morgan. Our delicious Christmas Banquet of roast turkey with all the trimmings, cooked by our kitchen staff, was held on December 14<sup>th</sup>, followed by entertainment.

The spirit of giving was certainly evident over the holiday season here at McClure Tower. We donated more than 150 handmade items to Egadz, Baby Steps, Socks for the Homeless, Salvation Army and the YWCA. These items included toques, scarves, mitts, socks, baby sweaters and comfort dolls. A special thank you to everyone who donated the yarn and to those loving hands that made all this possible.

Other volunteer work at McClure Place included: tracing and cutting hearts for the Coronary Artery Rehabilitation Group; Saskatoon Secret Santa donations collected by The Carolling Firefighters and donations to Saskatoon Food Bank and the Chokeycherry Youth Art Program. In January, the Alzheimer Society was the designated charity of the month.

We are counting up our many and varied exercise steps for the ongoing SCOA Globe Walk 2024. Also, a "floor curling bonspiel" will start on Monday afternoons from February 12<sup>th</sup> to March 25<sup>th</sup>. Residents who would like to curl can sign up at our Recreation Office bulletin board.

A new Saskatoon Seniors Continued Learning class has begun. Tower residents are welcome to view the live online version available on Tuesday mornings, the topic is "A Political History of Canada 1867 to Present" by U of S Prof Jason Zorbas. DigIT computer classes will wind up on February 5<sup>th</sup>. If any residents are interested in participating in a future set of classes, let Jamie at the Recreation Office know.

Robbie Burns Day was beautifully celebrated at coffee time on January 25<sup>th</sup>. Tasty Scottish shortbread was served with tea or coffee. Several Scottish kilts, scarves, even a tam o'shanter, plus a few other memorabilia were worn by some residents. A short history of poet Robbie Burn's life, two of his Scottish poems, and a Scottish joke were read by Irma Kittelson, Jean Warner and Mary Lou Forrest. Our McClure Place Choristers led by Shirley Blackburn, sang three Scottish melodies. The program closed with the singing of Auld Lang Syne. In the evening, we watched the 2023 Edinburgh Military Tattoo on the big screen. More than 800 Air Force Band participants from many different countries performed with synchronized marching bands, dancing & singing.

There is a request for a volunteer Van driver, and 'In Motion Leaders', with training sessions to follow in February.
