MCCLURE AT PRAYER

The names listed below have been chosen randomly from a list of those who make McClure United Church their home. It is our desire to hold each other in prayer and care always. This week you are invited to pray specifically for those listed

*Lee, Grace, Christopher, Gregory & Jennifer Whittington ~ Donna Pollard
Darlene Goodwillie~ Jeff, Audrey,
Aiden & Mikayla Russell*

The mission of the board over the coming year be “**CELEBRATING CONNECTIONS**”. We will focus on strengthening the relationships inside of our community so that we can reach out in the future with renewed energy and strength to do the big projects that excite us. How will strengthening relationships affect our McClure community? Shawn Achor in his book The Happiness Advantage says that “like food and air, we need social relationships to thrive. That’s because when we have a community of people we can count on we multiply our emotional, intellectual, and physical resources”. Social support increases happiness and reduces anxiety. Social support has more impact on our health than quitting smoking, losing weight or increasing exercise. Social connections increase our tolerance for adversity. What can you do this Sunday that will increase your own sense of belonging here, in this space? What can you do today that will increase the sense of connection for someone you are sitting beside?

Walking Connections: Too Inspired to be Tired

Come walk with us. Wednesday evenings
beginning at 6:30pm June 12 - June 26

More than just an ordinary walking group. We will gather at the church at 6:30pm to hear a short reflection (scripture, poem, inspired reading) and will walk approximately 2.5km in silent reflection. Each person may walk at their own pace. We will gather at an identified muster point and walk back to the church in conversation (again at a pace that is comfortable for you). For more information please contact Brian or Laura. Please let us know if you are planning on coming so we are sure not to leave without you.
