To all of the wonderful youth of McClure United Church!!!

We're back into the swing of things. I'm sure you are all overjoyed to be finished with summer holidays and back at school! I hope you had a fantastic summer and are feeling refreshed and ready to go. I am very much looking forward to seeing you soon. McClure Sr. Youth Group is a safe and welcoming place for you to explore questions of faith and life. We also happen to have a lot of fun! Please come and check us out.

Youth group begins again on **Sunday, September 24th**. I have also enclosed the **Sr. Youth Group registration form**. Please fill it out and return it to me on September 24st. The Rainbow Village Kick Off Celebration is on **Sunday, September 17th**. It would be GREAT if you could come and help the kids out playing games, giving out candy, face painting etc. Please plan to come and celebrate together.

A word about communication... I use a variety of methods of communication to keep you updated on our activities. In the past I have used texting, Facebook and email. If you have a cell phone and would like to receive text notifications, please text me at 306-291-5838 (don't forget to include your name) and I will add you to my text message group for youth activities. I also stay connected with a number of youth via Facebook. It is my personal policy to NOT friend request youth (or any members of McClure) as I want to respect your privacy. However, if you would like to be my FB friend, please send me a request and I'll be happy to accept. Also, join the McClure United Church FB page for event updates and interesting bits of information.

If you or your parents have any questions/concerns/comments for me, please call me at the church office (373-1753), call or text me on my cell (291-5838), find me on Facebook or email me at laurafouhse@shaw.ca.

See you soon,

Laura Fouhse
Minister @ McClure

p.s. Don't miss our annual **Pet Blessing service on Sunday, September 10** at 11am. Bring your pet (real, a picture, or stuffed) to be part of this fun & LOUD service.
